## LEAD COACHES

Tentative Lead Coaches for the 2010-2011 season are:

Genesis:	Mark Townsend / Doug Helm
Seniors:	Mark Townsend
Core 3:	Mike Adams

## PRACTICE SCHEDULE

Our 2010-2011 Short Course season begins on Tuesday, September 7th for Genesis Full Year and Genesis High School Boys swimmers and on Monday, September 20th for all other practice groups, with the exception of High School Girls who will return to Mavericks at the conclusion of their High School season. End-of-season championship meets begin in mid-February and last until mid-March.

Maverick Swim Club practices at a number of facilities including Naperville Central HS, Naperville North HS, Metea Valley HS, North Central College, and DuPage Swimming Center. A tentative practice schedule will be posted on the Maverick website. Final practice schedules are determined after registration is complete so that we can place practice groups in appropriate facilities. Occasionally, we must cancel or change practice times or locations. These changes will be communicated via email to our members and through postings on the Maverick website.

We will be using breakout practice groups again this season for Core 2 & 3. Swimmers will be divided into three breakout groups and assigned a particular day of the week when their breakout group will practice at North Central College instead of practicing with the regular practice group. While stroke technique will continue to be emphasized throughout the season during all practices, greater opportunities for individual attention from the coaching staff will occur during these breakout group practices.

## ATTENDANCE REQUIREMENTS

Each Core practice group has a practice attendance requirement as outlined below. This is the minimum expectation for the practice group and will be a factor to ensure priority registration for future seasons. Practice attendance is posted on the Maverick website throughout the season.

Genesis	Core 3	Core 2	Core 1	Pre-Core
80%	60%	50%	40%	40%

## MEETS & MEET FEES

For each meet a swimmer attends, there are associated meet entry fees imposed by Illinois Swimming and the host club. For the 2010-2011 season, we will charge each family's online account at the conclusion of each meet. Meet fees are based on individual entries submitted, not actual events completed.

Once meets are charged to your online account, you may go online to pay your meet fees throughout the year. Any past due account will be automatically charged to the credit card on file for that account.

Any remaining meet fees must be paid at the conclusion of the season in order to ensure priority registration for the next season.

Tentative dates for Maverick hosted meets are:

- Maverick Pentathlon, October 3, 2010
- Maverick Roundup, November 6-7, 2010
- Winter Splash, January 7-9, 2011
- Feed the Fire, February 19-20, 2011 (if eligible to swim in this meet)

## PARENT WORKER POLICY

Swim meets are the Club's single largest fundraiser throughout the season. Unlike other organizations, we do not require families to pay fundraising fees or sell goods in support of our club's finances. We do, however, ask that Maverick families support the Club by working a number of required jobs at meets run by Maverick Swim Club. Typically, that number is four to five jobs plus any championship meets for which your swimmer(s) qualify.

In the event that a family fails to complete a job, their account will be charged \$50 per job missed. Additionally, if a family fails to work the required number of jobs during the season, they will lose priority registration status for the following year.

Parents will be able to sign up online via Supermeets for the jobs that they want to work. There are also various "committee" jobs that fulfill parent worker obligations. Those jobs are generally communicated via email. More details about how and when to sign up for jobs will follow in September.

We look forward to working with you!
