NEW SWIMMER EVALUATION

All potential new Maverick swimmers must attend a Maverick New Swimmer Evaluation. Maverick coaches will evaluate each swimmer and make a recommendation as to the most appropriate group in which a swimmer should enroll. Swimmers will receive a card with the coaches' recommendation at the completion of the event.

The following are considered potential NEW swimmers:

- Any swimmer who did not swim with Maverick Swim Club during the 2010-2011 winter season or the 2011 summer long course season.
- Siblings of returning Maverick swimmers.
- Mighty Mavs swimmers. Returning Mighty Mavs swimmers MUST be evaluated UNLESS they wish to remain in Mighty Mavs for the 2011-2012 season.

- Monday, July 11; 6:00-7:30pm—Metea Valley High School

PRACTICE SCHEDULE

Our 2011-2012 Short Course season begins on Tuesday, September 6th for Genesis Age Group and Genesis High School Boys swimmers and on Monday, September 19th for all other practice groups, with the exception of High School Girls who will return to Mavericks at the conclusion of their High School season. End-of-season championship meets begin in mid-February and last until mid-March.

Maverick Swim Club practices at a number of facilities including Naperville Central HS, Naperville North HS, Metea Valley HS, and North Central College. Final practice schedules are determined after registration is complete so that we can place practice groups in appropriate facilities. Therefore, we will not post a tentative practice schedule until late summer. Occasionally, we must cancel or change practice times or locations. These changes will be communicated via email to our members and through postings on the Maverick website.

2011-2012 INFORMATION SHEET

ATTENDANCE REQUIREMENTS

Each Core practice group has a practice attendance requirement as outlined below. This is the minimum expectation for the practice group and will be a factor to ensure priority registration for future seasons. Practice attendance is posted on the Maverick website throughout the season.

Genesis	Core 3	Core 2	Core 1	Pre-Core
80%	60%	50%	40%	40%

MEETS & MEET FEES

For each meet a swimmer attends, there are meet entry fees imposed by Illinois Swimming and the host club. We charge meet fees to each family's online account as entries are processed. Meet fees are based on individual entries submitted, not actual events completed. Swimmers will be charged for entries in Maverick-hosted meets regardless of their ability to be present at these meets. Once meets are charged to your online account, you may go online to pay your meet fees throughout the year. Any past due account will be automatically charged to the credit card on file for that account and a \$15 per incident late fee will be imposed. All fees must be paid at the conclusion of the season in order to ensure priority registration for the next season.

Tentative dates for Maverick hosted meets are:

- Maverick Pentathlon, October 2, 2011
- Maverick Roundup, November 5-6, 2011
- Winter Splash, January 6-8, 2012
- Feed the Fire, February 18-18, 2012 (if eligible to swim in this meet)

PARENT WORKER POLICY

Swim meets are the Club's single largest fundraiser throughout the season. Unlike other organizations, we do not require families to pay fundraising fees or sell goods in support of our club's finances. We do, however, ask that Maverick families support the Club by working a number of required jobs at meets run by Maverick Swim Club. Typically, that number is four to five jobs plus any championship meets for which your swimmer(s) qualify.

In the event that a family fails to complete a job, their account will be charged \$50 per job missed. If a family fails to work the required number of jobs during the season, they will lose priority registration status for the following year.

Parents will be able to sign up online via Supermeets for the jobs that they want to work. There are also various "committee" jobs that fulfill parent worker obligations. Those jobs are generally communicated via email. More details about how and when to sign up for jobs will follow in September.

We look forward to working with you!
