

# ONLINE REGISTRATION FAQ'S

---

To begin online registration, go to the Maverick website & click the blue Registration link on the left side. A new window will open.

- Returning Maverick families should enter the email address and password used during previous registrations and account management, then click the "Returning User" button. If you have difficulty logging in, please contact the registrar for help. DO NOT create a new login as this creates duplicate accounts.
- New users should click the "New User" button to begin registration.

Follow onscreen instructions and fill in ALL required fields.

When entering swimmer information, please keep the following in mind:

- Use the swimmer's LEGAL first, middle & last name. Their USS swimmer ID is generated from this information. If the swimmer does not have a middle name, you will be instructed to enter an asterisk (\*).
- For the fields that are not "required", please complete as much information as possible. For example, our coaches should be aware of allergies and medical conditions.
- You may find it helpful to review the Practice Group offerings prior to beginning online registration. This can be found on the Maverick website registration page.
- Please be sure to read the waivers as you encounter them during registration. These documents contain information about Club policies and procedures. You will be asked to acknowledge that you have read and agree to the information contained in the waivers. A copy of the waivers can be found on the Maverick website registration page.

To complete your swimmer's registration, you may pay online by credit card, e-check (electronic transfer from your bank account) or by mailing or dropping off a paper check to the Maverick office. You may find it easiest to have payment information ready when you begin online enrollment.

- Returning swimmers who have paid electronically can consider their registration complete.
- For returning swimmers paying by paper check, the check must be received in the Maverick office for their registration to be complete.
- New swimmer registration will be considered complete only when online registration is completed and payment is received.

All completed and accepted online registrations will receive a confirmation email from [maverick@speedoc.com](mailto:maverick@speedoc.com). Please be sure to add this address to your "safe" email list.

If you have any questions about registration, please email the team registrar: [registrar@mavswim.org](mailto:registrar@mavswim.org)
